Hiring Manager

[Company Name]

[Company Address]

[City, Province, Postal Code]

Dear Hiring Manager,

I am excited to apply for the Software Developer position at [Company Name]. With a strong foundation in computer programming and hands-on experience in application development, I am eager to contribute to your team and help drive innovative solutions.

During my time at George Brown College, I collaborated with a team to design and implement a travel management application using C# and ASP.NET Core. I developed backend functionality, implemented RESTful APIs, and designed responsive user interfaces. My ability to work in fast-paced environments, coupled with my passion for learning, makes me a strong candidate for this role.

I am particularly drawn to [Company Name] because of [specific reason related to the company, e.g., its innovative projects or company culture]. I am confident that my technical skills and dedication to continuous learning align with your team's goals.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experiences align with your needs. Please feel free to contact me at (647) 308-8409 or via email at 21Sandra1@gmail.com.

Sincerely,

Sandra Antony
